Vaccine & Health Record Requirements — Veterinarian Information Sheet

To the Veterinary Team: Our client is boarding or grooming their cat with us. Before arrival we require confirmation of the records below. Please provide copies (printout, PDF, or photo) the owner can upload to their account or email to micathotel@gmail.com. All five checks must be confirmed for entry.

Required Records — All 5 Must Be Confirmed

#	Requirement	Acceptable Proof
1	Rabies vaccine	1 current vaccine OR proof of 3 prior vaccines
2	Distemper (FVRCP)	1 current vaccine OR proof of 3 prior vaccines
3	Clear stool / fecal test	Within the last year (one cat per household if multiple)
4	FIV (Feline AIDS) test	Clear result within the last 3 years
5	Feline Leukemia (FeLV)	Clear test within 3 years OR vaccinated (1 current or proof of 3 prior)

★ **Older cats:** For senior cats, we accept **proof of 3 prior vaccines** in place of a current vaccine for Rabies, Distemper (FVRCP), and Leukemia.

Additional Notes

- Cats must be free of contagious illness, fleas, flea dirt, ear mites, ear debris, loose stool, and green or yellow eye/nose discharge.
- Any clear eye or nose discharge requires a vet note stating the cat is not contagious.
- No cats with unsupervised outdoor access; no cats on raw or dehydrated diets (bird flu precaution).
- Boarding cats only: front nails should be trimmed recently (we can also trim for \$20; all grooming packages include a nail trim).
- If the cat has any notable health history we should be aware of, please send records and a brief note to micathotel@gmail.com before scheduling.
- Cats should be microchipped.
